

Consumer & Business Bill Pay Disclosure & Agreement

CONSUMER BILL PAY DISCLOSURE & AGREEMENT

WHAT THIS AGREEMENT COVERS

This Agreement contains the terms and conditions for the use of Salal Bill Pay (“Bill Pay” or “Service”), a service that Salal Credit Union (“Salal,” “Credit Union,” “us,” or “we”) may provide to you (“you” or “User”). Other agreements you have entered into with the Credit Union, including your Consumer Membership Account & Agreement, or Business Membership & Account Agreement, and Electronic Disclosure Consent, as amended from time to time, are incorporated by reference and made a part of this Agreement. This Agreement governs the use of Bill Pay within our Mobile and Online Banking Service. This Agreement supplements your Online Banking Disclosure & Agreement or Business Online Banking Terms & Conditions and other deposit agreements with us.

BILL PAY SERVICE

Salal Credit Union members with eligible deposit accounts may also use the optional Bill Pay Service. Through the Bill Pay Service, you can pay bills from your checking account to businesses or individuals. We may make the payment either by transferring funds electronically to the payee or by mailing the payee a check. By using this Service, you authorize us, and any third-party payment-processing agent we may use, to choose whatever method we feel is most effective to process your transaction. Any payments you wish to make through this Service must be payable in U.S. dollars to a payee in the United States. The Credit Union reserves the right to restrict types of payees to whom payments may be made using the Service.

At initial enrollment, you must designate one of your checking accounts (if you have multiple checking accounts associated with your Credit Union membership) as the Account from which payments that you authorize will be deducted. After initial enrollment, you may designate additional checking accounts you have with us for this Service. However, you may not use multiple Accounts to pay a single bill using this Service. Additional Accounts you add to this Service are subject to review and approval by us.

If your payee requires additional information to process your payment, such as a coupon, voucher, or similar advice, you should use an alternate payment method. The Credit Union will not be liable for payments that were not applied or that were misapplied because the check or electronic transaction was lacking sufficient information needed for posting by the payee. Payees that may require a coupon, voucher, or similar advice to post your payment include, but are not limited to, government agencies or courts.

You will be given the ability to set up merchants, institutions, or individuals that you would like to pay. All payees must have a U.S. address and must accept payment in U.S. dollars though we reserve the right to prohibit any payee. You or any persons whom you have authorized to use the Service with the appropriate Username and Password can perform the following transactions. At the present time you may use the Service to:

- Obtain information (payee information, payment status, etc.) about your bill payment request.
- Pay any designated merchant, institution, or individual in accordance with this Agreement from your designated checking Account. You may use the service to initiate the following types of payment transactions:
 - **Single Payments:** A single payment will be processed on a specific business day (Monday through Friday, except federal holidays) that you designate as the payment processing date. Single payments are not recurring.
 - **Recurring Payments:** Recurring payments are payments that recur on a fixed due date and for a fixed amount. You have an option in the Service to set payments to continue indefinitely, or for a set number of payments or term, and the payments are automatically scheduled by the system.
 - **eBills:** eBills present due dates and amounts from your billing statement to alert you when it’s time to schedule payments. You can setup payees that are eligible. Your payee must have a website available to view your bill online to be eligible for eBills. If your payee is eligible for eBills in bill pay, you will need to provide the credentials to access the bill information for that payee.

CONDITIONS AND LIMITATIONS OF BILL PAY SERVICE

When you transmit a bill payment instruction to us, you authorize us to withdraw funds to make the bill payment transaction from the checking Account you designate. We will process bill payment transfer requests only to your authorized payees. The Credit Union will not process any bill payment if we know the required transaction information is incomplete or incorrect. In any event, the Credit Union will not be liable for any transaction that contains incomplete or incorrect information that the Credit Union was not responsible for entering or knowing. If there are insufficient funds in your Account to make the bill payment request, we may

either refuse to make the payment or make the payment and transfer funds through Courtesy Pay protection on any Account you have established. The Credit Union reserves the right to refuse to process payment instructions that reasonably appear to the Credit Union to be fraudulent or erroneous. You will be notified if a payment is canceled.

We will not be liable in any way for damages you incur for any of the following reasons:

- Insufficient funds in your bill payment account to make the payment on the processing date.
- Delays in mail delivery.
- Changes to the payee's address or account number (unless we've been advised of the change in advance of issuing a payment).
- The failure of any payee to correctly account for or credit the payment in a timely manner.
- Any other circumstances beyond our control.

PROCESSING PAYMENTS

The amount of your requested bill payment will be deducted from your designated checking Account on the scheduled Process Date by 12:00 p.m. (Noon) Pacific Time (PT). A single payment will be processed by us on that date or the next business day should the Process Date fall on a weekend or holiday. If a recurring payment falls on a weekend or holiday, it will be processed based on the following options you elect: (i) "Pay Before" (the adjusted Process Date will be on the first business date prior to the scheduled Process Date), or (ii) "Pay After" (the adjusted Process Date will be on the first business date after the scheduled Process Date). Regardless of which weekend or holiday payment processing option you chose, you must have sufficient funds available to cover your payment on the adjusted Process Date.

It is your responsibility to schedule your bill payments so that your obligations will be paid on time. You should enter and transmit your bill payment instructions at least ten (10) business days before a bill is due. If you do not allow sufficient time, you assume full responsibility for any late payments or finance charges that may be imposed as a result of your failure to transmit a timely bill payment authorization. For eligible payees, you may choose to send an expedited payment for faster delivery. Fees will apply for this service and may vary depending on the type of payee. You must agree to these fees at the time of scheduling an expedited payment and have sufficient funds available in your designated checking Account for the payment and expedited fees. Expedited payments cannot be canceled or edited.

CANCELING OR CHANGING BILL PAYMENTS

A bill payment can be changed or canceled any time prior to the cutoff time on the scheduled Process Date. The daily cutoff time is defined as 12:00 p.m. PT. Single payment transactions cannot be stopped, canceled, or changed after the daily cutoff time (as defined above). You may cancel or stop a recurring payment under certain circumstances within the Bill Pay service or by following the Stop Payment instructions below. If you discover an error or want to change a payment instruction, (e.g., payment date or payment amount) for a bill payment that you have already scheduled for transmission through the Service, you may electronically edit or cancel your payment request through the Service. Your cancellation request must be entered and transmitted through the Service before the Process Date you have scheduled for the bill payment. If your request is not entered prior to the cutoff time on the scheduled Process Date, you will be responsible for the bill payment.

STOP PAYMENTS

The online Stop Payment Service cannot be used to cancel preauthorized electronic funds transfers (EFTs) or to stop electronic bill payments that have already processed. Please contact us directly by telephone at **800.562.5515** or **206.298.9394** or in person at a branch location to place these types of stop payments. Fees may apply. Review the Consumer Product & Fee Disclosure.

A check stop payment order is effective only for six (6) months, but may be renewed by you upon request in writing or through Mobile and Online Banking. The Credit Union shall not be liable for payment of any item subject to a stop payment order upon the expiration or withdrawal of such order, and we may, at our discretion, refuse to honor any such item pending your instruction. You may withdraw this stop payment order only in writing or in person at one of our branch offices. If you wish to place an oral stop payment on a recurring bill payment transaction, the Credit Union must receive your oral stop payment request at least three (3) business days (Monday through Friday, excluding federal holidays) before the scheduled Process Date. You may call the Credit Union at **800.562.5515** or **206.298.9394** to request a stop payment. If you call, the Credit Union may require you to confirm your stop payment request in writing within fourteen (14) days after the call.

For recurring payments that you wish to stop or cancel, you must edit the payee within Bill Pay and select to stop. If you need assistance, please call and we will be happy to help you.

LIABILITY LIMITS ON CONSUMER ACCOUNTS

Alert us AT ONCE if you believe your Username or Password has been compromised. Telephoning is the best way of keeping your possible losses to a minimum. All the money in your account (plus your maximum overdraft line of credit) could be at risk for loss. If you believe your access has been compromised, lost, or stolen, and you alert us within two (2) business days after learning of the loss or theft, you can lose no more than \$50 if someone uses your access code without your permission.

If you DO NOT alert us within two (2) business days after learning of the loss or theft of your access code, and we can prove we could have stopped the unauthorized use of your access code, given timely notification, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code, or other means, tell us at once. Not alerting us of fraudulent transactions within sixty (60) days of the statement mailing date may result in you not being able to recover any lost money if we can prove the theft could have been avoided with timely notification. If reasons beyond your control (such as a long trip or a hospital stay) keep you from alerting us, we will extend the time periods.

UNAUTHORIZED TRANSACTIONS, ERRORS, AND QUESTIONS ON CONSUMER ACCOUNTS

If you believe your Username or Password has been lost, stolen, or compromised; that someone has transferred or may transfer money from your Account without your permission, you should notify us as soon as possible by one of the following methods:

- Call us at **800.562.5515** or **206.298.9394**.
- Write to us at **Salal Credit Union, PO Box 75029, Seattle, WA 98175-0029**.

For questions about your account or transactions, you may also use the secure messaging feature within Mobile and Online Banking.

If you believe your statement is incorrect or you need further information regarding transactions on your statement, we must hear from you no later than sixty (60) days after the FIRST statement was sent or made available to you on which the transaction in question or error occurred. You must include:

- Your name and member number.
- A description of the error or transaction in question; include as much detail as possible and clearly explain why you believe it is an error or why you need more information.
- The dollar amount of the transaction in question.

If you report your suspected error or question to us verbally, we may require that you send your complaint to us in writing within ten (10) business days from the date of your verbal notification. We will notify you of the results from our investigation within ten (10) business days after we hear from you and will correct the error promptly. If we require more time to complete our investigation, we reserve the right to take up to forty-five (45) days. In this case we will provide your account with provisional credit within ten (10) business days for the amount you think is in error. If we ask you to submit your complaint to us in writing and we do not receive it within ten (10) days from your verbal notification, we may not provide your account with provisional credit. If we determine that an error did not occur, we will send you a written explanation by mail within three (3) business days after the completion of our investigation. You may ask for copies of documents used in our investigation. Provisional credit may be revoked if we find that an error did not occur.
